**A MASSIVE congratulations to 1C, 1H, 2H, 2T, 3A, 3B, 4H, 4M, 5P, 5B and 6E who have exceeded the national attendance target of 96.2%.....an amazing achievement!**

**Plus, well done to 2T who our Attendance Champions!!!**

Our overall attendance for the Autumn and Spring Terms combined was 96.83%, which is above the national average of 96.1% and therefore, extremely pleasing. Historically, our attendance has dipped during the Summer Term (mainly due to parents taking their children on holiday), but we will be focusing on attendance this term to try and reverse this trend.

*Parents may have heard in the news that Jon Platt (parent who took his Local Authority to court for being fined for taking his child to Florida during term time) has lost his case and the Supreme Court has ruled that his actions were a "blatant disregard for school rules" and a "slap in the face" to parents who abide by the law. Please note, that this ruling now gives all local authorities the mandate to prosecute parents who take their children out of school during term time for holidays.*

School Fund

This week £48.00 was collected in School Fund. May I take this opportunity to thank all the parents who have paid, some of whom have paid for the whole half term, as this means we can buy those 'extra' things for the children.
