I hope everyone has a wonderful Half-Term Holiday and come back refreshed and ready for Summer 2. It’s a very busy time of year with all the various trips and events taking place, hopefully the weather will be kind. A reminder that children should put on sunblock before school, wear a hat or cap and make sure to wear appropriate summer uniform.

Champions!

Year 3 and 4 girls took part in the North Birmingham Football Tournament against other local schools and won. We are all very proud of them!

‘The girls smashed it! They were amazing, I am so proud. They deserved their Slush-Puppies’ - Mrs Webb (Main Office)

‘We were amazing! We won the trophy and smashed the other teams. Altogether we scored twenty seven goals, we won 3-1, 6-1, 6-0, 5-0, 5-1 and 2-0 in the final. We are so happy.’ - Molly (3B), Evie-Mae (3A), Ryanna (4P) Lily (3B), Elektra (3B), Arayah (4M)

‘We are so proud of the girls and their fantastic football skills. Definitely well deserved, they should be proud of themselves’ - Mr M (KS1 or KS2 Playground)
Year 4 Trip!

Last week Year Four went to the West Midlands Safari Park.

‘On Friday we went to the West Midlands Safari Park, we went on an extravagant tour around the park. After lunch, some terrifying ducks tried to eat our sandwiches. We saw hippos, meerkats, penguins and a massive python cobra! We also went in a bat and parrot cave, it was scary!’ - Harjas (4M)

‘It was really cool! We saw a sea-lion, dinosaurs, reptiles and birds. We went through the safari drive through, my favourite animals were the elephants’ - Ayesha (4P)

Class Photos

A reminder that we changed the date for Class Photos as it clashed with School Disco day. The new date is **Wednesday 5th June** the week we start back.

School Fund

This week £56.00 was collected in School Fund. May I take this opportunity to thank all the parents who have paid. It does mean we can buy those ‘extra’ things for the children.

Reminder

A reminder to all parents that they should never approach and confront another child in school. If a parent is concerned about an issue then they must report it immediately to myself, Miss Atterbury or a class teacher and we will deal with it. When parents try to take matters into their own hands, even with the most honest of intentions, it can be upsetting for a child.

Mr. M. Wingrove

(Head Teacher)
