'Chandy Challenge'

For those of you who don't know, Chandy is a 4 year old girl who lives in Cambodia and as a school we sponsor her in order to provide support in her formative years. I wanted to take this opportunity to thank all the children who donated their spare 10ps to the 'Chandy Challenge'. Although the trail of 10ps didn't quite reach Miss Harris's classroom in Year 2, we did raise just over £40.00! Ria and Milan from Year 5 helped me to construct the trail and they also decided what to spend the money on. They selected a chicken, water purification tablets, a blanket and a mosquito net.....thank you girls for your help.

Year 4 - Fire Service Visit

'Last week, the fire fighters came in to visit us in the afternoon. We learnt how to keep ourselves safe in a fire and you always need to think about an escape route. Plus, if you forget your pet or a phone, you should never go back into the fire. You should always check for hazards. The most important thing in a fire is to check that everyone is awake and then get out.' - Mariyo (4M)

'On Friday, some firemen came into our school to talk about fire safety. At first we didn't think they were going to turn up, but as I walked into the classroom I was very surprised to see two firemen sitting at the front of the room They talked to us about how quickly a fire can spread and what to do if there is a fire. I really enjoyed the firemen's visit, it was a real treat.' - Miya (4H)
