Easter Celebrations!

I would like to take this opportunity to thank all the children and family members who fully engaged in the Easter Celebrations. Nursery performed in a wonderful Easter Assembly, which was extremely well attended; Reception and KS1 displayed their bonnets in a wonderful parade, which was bursting at the seams with family members; KS2 used their design skills to create some fantastic 'egg inspired' models and the 'Grand Easter Egg Raffle' raised valuable funds for school. The combination of all these events made Easter a very special time at Calshot.....thank you!

Year 3 - Out and About!

'On Monday, we went to Arena Academy to watch 'Circle of life'. It was an amazing show. We got to eat biscuits and have a drink. There were lots of different schools there and my favourite character was Simba's dad.'

- Logan (3A)

'I had a great time at Arena Academy. We saw the children in their fancy, shiny costumes. Also, my favourite character was Simba.' - Isabelle Haydock-Smith (3B)

'Last Friday, we went to the cool, interesting Thinktank. We learnt all about recycling and we played lots of games. Later, we learnt all about our bodies and it was really gross! We also saw some steam trains, colourful buses and the important spitfire.' - Ben (3B)

'On Friday, we went to the Thinktank, it was amazing! I saw lots of fossils and the triceratops skull was massive!' - Maddison (3A)

Year 5 - Botanical Gardens

'On our trip to the Botanical Gardens, we saw lots of plants, there were cotton, cocoa, tea, bamboo and fig trees. We explored the entire place and there was a parrot who scared me. In addition, we got to touch a corn snake and some stick insects. After, we went to a gift shop and I bought a zombie and a bouncy ball, but sadly my bouncy ball got lost.' - Amaan (5H)

School Dinners

If you would like your child to change from sandwiches to dinners, or vice versa, please send a note into school on the first day back after the Easter Break stating your intentions. (New menus are attached to this newsletter).

Modelling Success!

Arjun in Year 3 is taking part in LMI Birmingham, Little Models Academy. Part of the academy involves a photo competition, which is open to public voting. Voting is online and all votes are verified by e-mail. The link is: littlemodelsinc.com He is in category 5 - 7 years and voting ends 8th April. I'm sure Arjun would appreciate your support. We'll keep you posted on how he gets on.' - Arjun's Parents

School Fund

This week £7.50 was collected in School Fund. May I take this opportunity to thank all the parents who have paid, some of whom have paid for the whole half term, as this means we can buy those 'extra' things for the children.
